

Established in 2009, AOMB Polska Sp. z o.o. is a fast-growing internationally oriented Intellectual Property firm. Aiming at continuous development and improvement of our services, now we are looking for candidates to join our office in Kraków, Warszawa or Łódź.

We need motivated professionals, who will help us build our business:

- **qualified Polish patent attorneys or trainee attorneys or students** with a technical background (physics, mechanics, mechatronics, electricity, electronics, telecommunication, information technology, robotics), willing to prepare to the European Qualifying Examination (EQE)

We offer:

- challenging work and unique opportunities for professional development,
- international work environment and career opportunities within AIPEX – the first alliance of national IP firms in Europe,
- possibility of thorough preparation to EQE (supported by our firm),
- possibility of acquiring qualification of a Polish patent attorney (supported by our firm),
- possibility of working remotely (online).

Please send your CV and covering letter to rekrutacja@aomb.pl

AOMB is member in AIPEX, the first alliance of national IP firms in Europe.
