

To whom it may concern:

I would like to express my gratitude to the members of AOMB Polska Sp. z o. o. team for the outstanding service in the field of intellectual property rights protection.

We have relied on expertise of patent and trademark attorneys of AOMB Polska Sp. z o. o. in filing and prosecuting of national utility model applications, European patent applications, Community trademarks as well as Community designs. We can also rely on their thorough expertise also in prosecuting Polish national patent applications.

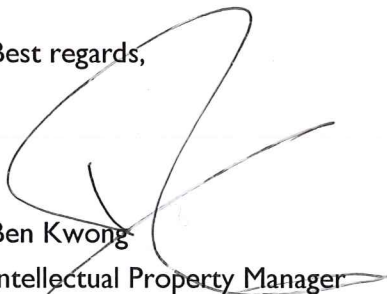

They are a team of professional European Patent Attorneys, European Trademark Attorneys, Polish Patent and Trademark Attorneys as well as highly skilled paralegals. They will swiftly respond to any inquiries concerning intellectual property rights' protection you might have.

In the course of our business relations our inquiries and requests have always been addressed in a timely and professional manner, so we are confident they can provide you with exactly the expertise you need.

We strongly believe that our clients – for whom our main service is registration of companies in the Far East, in particular – in Hong Kong and China – benefit substantially from the fact, that in addition to such registration we can offer them protection of their trademarks and inventions in Europe through a reliable partner in Poland, thus at a very competitive costs in comparison to Western European providers.

I'm happy to recommend the services of AOMB Polska Sp. z o. o. as a solid and reliable partner. If you have any questions, feel free to contact me.

Best regards,
